

EVOLVE. CHANGE. TRAIN. LEARN.

Training Solutions for Any Team

When training is created and organized for specific user roles and workforces, adoption of new technologies increases. No matter how much time your team has to dedicate to new technologies and features, Evolve 365 Learning Solutions can be customized to create an experience that is perfect for them, the way they work and how they naturally learn!

Do your current training programs increase engagement?

How are you measuring your success and adoption?

- ✓ On Demand Video Training
- ✓ Weekly Feature Roadmap Updates
- ✓ Guided Learning Paths
- ✓ Role Based Scenario Training
- ✓ Microsoft Teams App

- ✓ Custom Application Training
